Feast fit for a King!

I think it is safe to say we know what it was like to live in Tudor times based on all we learnt at **Mary Arden's Farm** in Stratford-Upon-Avon. We had a brilliant time. There were all sorts of activities for the children to do including decorating wall hangings, thrashing wheat, candling making, dancing and completing a Tudor treasure hunt. Thank you to everyone who helped make the trip and residential happen, it was definitely worthwhile.

On Sunday, the annual **Open Gardens** in Ashleworth was held. I know a lot of hard work and preparation took place in gardens throughout the village and the organisers certainly made the event an enjoyable one. The weather was good, and all this combined led to a successful fundraising of over £500! This is excellent and I know that everyone at the School would like to thank all those involved.

It was great to see so many **dads in school** today. Often schools are places for mums and children but I would like our school to be welcoming to everyone whenever they want to support the learning in the classroom.

To conclude our theme on Pirates and Tudor exploration, we will be holding a **Tudor banquet** at the Tythe Barn on the 14th July. We will be leaving school at 11.30am to eat at 12.30pm. All the parents and supporters of the school are invited to attend as our royal guests so please put this date in your diary. The children will be dressing in Tudor costumes, preparing Tudor food, performing dances, playing music and singing Tudor songs. It would be brilliant if you could dress in Tudor attire as well.

Sorry about the clashes in dates recently, unfortunately the organisers of the sporting events we attend don't always send out the details early enough, nevertheless, the children have had a great time! Y2-4 went to the prestigious Prince of Wales Stadium in Cheltenham to put their **athletic skills** to the test, competing against other schools from across Gloucestershire. We returned with five medals; Thomas earning one and Abi earning four! Y5+6 were out today at the Crypt School in Gloucester to participate in different **Outdoor and Adventurous Activities** such as orienteering; we all await the results. Later on this month, all of KS2 will be going to Ribston Hall in Gloucester to join in with the **Urban Festival**. They can choose to do things like graffiti art, street dancing, skateboarding, archery and many others – it sounds brilliant.

It is at this time that we start to remember and celebrate the Y6's time at Ashleworth as they start to prepare for the move to their chosen secondary school. Yesterday, they attended a special **Leavers Service** at Gloucester Cathedral along with other Y6s from the church schools in Gloucestershire. We too will be celebrating in Ashleworth with a **Garden Party** on the 20th July from 1.30pm. Everyone is invited to attend; formal dress code applies.

Amazing Young People!

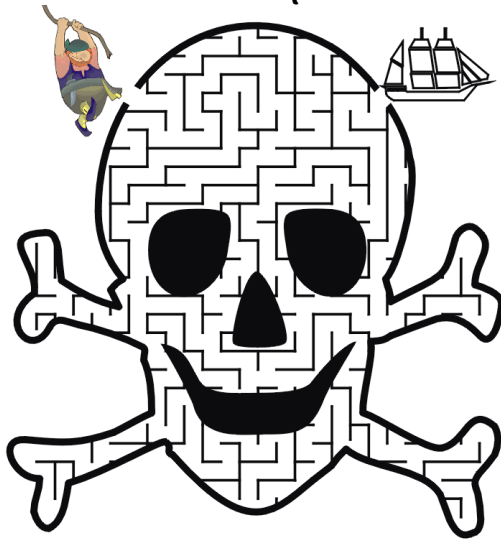

No awards this week as we were on the Tudor trip.

This week's prayer

I did a kind deed for someone else,
I did a kind deed for free;
But I am hoping that when I'm in need,
Some kindness will come back to me.

Amen

This week's puzzle

I will be sending out a special sheet with photographs of the Tudor Trip next week when we have collected them all together.

Dates for your diary...

Date	Event details

Supermarket Vouchers

If you have any Tesco and Sainsbury's schools vouchers at home please bring them in so that we can send them all off. We have done really well.

We still have some time left on the Morrison's Vouchers but are happy for you to send them in as and when you get them.
